NOTE—Contn sheet.

13. The Muzrai Commissioner requests that the charges on account of contingencies and travelling allowances in District and Taluk offices may be borne by the State Funds as already recommended in the note accompanying his letter dated 27th January 1927. The statement made in the note is as follows:-

14. As the normal annual savings as at present ascertained, are not adequate to provide for contingencies and travelling allowances of District and Taluk offices, these charges may be met from the general revenues for the present.

15. From the position of the Muzrai Establishment fund detailed in the Government Order of 23rd May 1928, it will be seen that there is an unallotted reserve of Rs 2,500 out of the contributions to the fund.

16 There is no indication given in the Muz.Commissioner's letter as to the amount that may be required for meeting the charges in question. If it is not large, there is no reason why it should not be met out of this reserve.

17 The scheme of the Muzrai Establishment fund has now been sanctioned for three years ending with 1928-29 when it will be reviewed.

18 It seems desirable that any new expenditure that has necessarily to be incurred on account of contingencies and travelling

allowances of the establishment the pay of which is wholly chargeable to the Luzrai Establishment fund, may be met out of this reserve. The question of making separate provision for these purposes may be examined when the scheme will be reviewed next year.

19. A. Yes. In the meantime the general revenues may bear these charges. I do not think the contingent charges of any relating to Luzrai Work can be easily separated from the general contingent expenditure of these offices and as a working arrangement it would be well to make no such distinction in respect of these charges which may be regarded as Court expenditure. The position in regard to Tq. is different and it is fair to charge it to the Fund. There should be no need for Luzrai clerks to do work on tours and the expenditure on Tq. to be met from the Fund should be limited to the barest minimum. These points may be considered when the Scheme comes under review next year.

Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

Sir,

I have the honor to forward herewith for favour of information copy of letter No.H-2 418/26 dated 24th June 1927 from the Deputy Commissioner, Mysore District, and of the Comptroller's reply ---- to a reference made from this office in the matter of the continuance of the monthly contingent allowance of Rs.2/- that was being paid - from the funds of the anna chattram at Tirumakudlu to the T.Narsipur Taluk office for Muzrai work which was stopped from 1st January 1927.

2. On a reference previously received from the Deputy Commissioner, Mysore District regarding the debit of establishment charges of certain Muzrai gumastas, the Comptroller to Government opined "that the charges may be met as heretofore till final ---- orders of Government are received on the subject of levy of ---- contribution to Muzrai Establishment Fund and that the charges incurred out of the chattrams abolished will have to be ----- debited to Chattram Savings Fund". The Deputy Commissioners of the Mysore and Hassan Districts were informed accordingly.

3. In this connection, I beg to invite kind reference to the concluding portion of para 16 of note accompanying this office -- letter C.No.664/22-23 dated 2nd February 1927 stating that "as the normal annual savings as at present ascertained are not -- adequate enough to provide for contingencies, T.A. of District and Taluk offices, these charges may be kindly ordered to be met from the General Revenues for the present etc.,"

The contingent expenses incurred in a few Taluks for Muzrai

Muzrai work do not seem to be a proper charge either on the tasdik grants of chattrams or the chattram savings Fund. The difficulty pointed out by the Deputy Commissioner will be avoided only if orders on the comprehensive proposals submitted in connection with the Muzrai Establishment Fund are passed and I consequently solicit the favour of early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

for Muzrai Commissioner.

Sir,

In inviting kind reference to this office letter C.No.150/26-27 dated 22nd September 1927, in the matter of the continuance of the monthly contingent grant of Rs.2/- a month that was being paid from the funds of the anna chattram at Tirumakudlu to the T.Narsipur Taluk Office for Muzrai work, I have the honor to state that the Deputy Commissioner while stating that much inconvenience is caused by the stoppage of the grant from 1st January 1927 ---- solicits orders to draw the contingent charge along with the pay bill of the Taluk Muzrai Establishment, as was being done before.

2. In view of the inconvenience caused, I beg that early orders may kindly be passed on the proposals contained in para 16 of note accompanying this office letter C.No.664/22-25 dated 2nd February 1927 re Muzrai Establishment Fund.

I have the honor to be,

SIR,

With reference to your letter No.1206/Muz.dat-d 26th January 1928 in the matter of the continuance of the monthly contingent grant to the T. Narsipur Taluk office for Muzrai work, I have the honor to state that the Government order of 31st January 1928 approving of the recommendation of this office in regard to the levy of contribution for the Muzrai Establishment Fund does not deal with this matter at all - For inadequacy of funds, no provision has been made for this item of expenditure in connection with the revision of Muzrai ----- establishments in the several offices in the State-now under ------ consideration of Government. As Muzrai work in the several offices partakes of the nature of bona-fide Government work as in other ---- departments-notwithstanding the fact that the pay of the establishmer is proposed to be met by levying a percentage contribution on the -- annual income of institutions, it seems to me that the small contingc expenses that are incurred are a legitimate charge upon the general - revenues.

I beg therefore to invite kind reference to the concluding -- portion of para 16 of my note accompanying this office letter C.No. 664/22-33 dated 2nd February 1927 and to reiterate my original recommendation to the effect that charges on account of contingencies and Travelling Allowance of District and Taluk offices may kindly be ---- ordered to be met from the General Revenues for the ---

The favour of early orders is solicited.
